Over the past year, Opposer and Applicant drafted a settlement agreement that resolves the matter. However, Applicant recently engaged new counsel to represent Applicant in this proceeding. Given that Applicant recently engaged new counsel, and Applicant's new counsel is reviewing the settlement agreement between the parties, the parties jointly request that proceedings be suspended 60-days. The parties expect that they will know within the next 60 days whether they will be able to resolve this matter and finalize the settlement agreement. Accordingly, with the consent of Applicant, HBI respectfully requests that this proceeding be suspended for 60 days to allow the parties to continue their settlement efforts.
